#### **A Longer Alternative - Starting from Land's End - Total walk 10.50 miles**

**Land's End to Sennen:** Leave CP along N side of A30. Almost immediately, go L on the signed cycle track, becomes Maria's Lane in due course. Follow the lane to join the described route at Pol-an-Dre on your R.

**Sennen Cove to Land's End:** Pass the Roundhouse, go through harbour CP, past toilets. Go L for a steepish ascent on the coast path, with flights of 32 and 54 steps up to old Watch House on Pedn-mên-du. The route is clear but, as you come to Land's End, do include Dr. Syntax's Head, most westerly point of Cornwall and, some would say, of England.
